

Enrollment/Admissions Information

Enrollment Process

Parents or guardians interested in enrolling their child/children at Arkansas Arts Academy should go to the Arkansas Arts Academy website (www.artsk12.org) and complete the online student enrollment form.

In the event that no openings are available for the desired grade during the school year, applicants will be placed on a grade specific waitlist. As openings become available, offers for enrollment will be made beginning with the child in the highest position on the specific grade waitlist. Once an offer to enroll is made, the parent/guardian has 48 hours to give notice to Arkansas Arts Academy of their enrollment decision. If no response is given during that time period, the child will be moved to the bottom of the waitlist.

A randomized lottery is conducted each spring to satisfy any openings for the upcoming school year. Each child on the list is given a computer-generated, random number which determines if they are offered placement. If the child is not offered a placement, the parent will need to submit a new enrollment form for the next school year and complete the lottery process again. Once a child accepts enrollment, they remain enrolled until graduation or a decision is made to leave Arkansas Arts Academy.

Lottery Dates

Deadline to submit enrollment forms for the 2018-19 lottery is March 28, 2017.

The 2018-19 lottery will be held on March 30, 2017.

Parents/Guardians will be notified within 48 hours of the lottery if their child is being offered placement for the 2018-19 school year. Applicants that are not offered placement will be notified via email of their position on the waitlist.

Sibling Policy and Children of Employees of Arkansas Arts Academy

Siblings of students currently enrolled at Arkansas Arts Academy who notify the school of their intent to return for the next school year are given priority for enrollment in accordance with availability.

For this policy, "sibling" shall mean a biological or legally adopted, brother or sister residing in the same household as the applicant. Cousins, nieces, nephews, and unrelated children sharing an address with the applicant are not considered siblings for

the purposes of enrollment. Sibling enrollment is dependent on available space and enrollment of each listed sibling is not guaranteed.

Children of the district faculty and staff are also given priority for enrollment.

Arkansas Arts Academy prohibits discrimination in admissions on the basis of gender, national origin, race, ethnicity, religion, disability, or academic or athletic eligibility.
